

iFLEX connection pipe

System connection pipe, fits every Roofivent vertical vent and condensation collector. Pipe flexibility allows free bending without changing the diameter. Our technical solution ensure easy and tight connection of vertical vent and ventilation system.

Product code:	KFP-5-20	KFP-5-40	KFP-6-20	KFP-6-40
Diameter:	5"	5"	6"	6"
Length:	20"	40"	20"	40"
Reduction:	5", 4.3", 4", 3"	5", 4.3", 4", 3"	6", 5"	6", 5"
Material:	Endings: polypropylene Pipe: polyester fabric soaked with modified polyolefin resins with a steel wire helix			
Fire resistance:	Flame retardant
