

LEVELING WEDGES

Wedges can be used wherever precise leveling is needed.

The serrated surface doesn't allow the wedge to slip off and allow to maintain precise leveling or straightening. The wedge doesn't deform over time, doesn't absorb moisture. The cut in the center of the wedge enables leveling of elements already partially screwed.

Product code:	LW-1-L	LW-2-L	LW-3-L	LW-4-L
Overall Size (in.) H x W x L	7/8" x 1 3/4" x 5 3/8"	9/16" x 1 3/8" x 3 3/4"	3/8" x 1 1/2" x 3"	3/8" x 1 3/8" x 2 3/4"
Color:	orange	white	graphite	blue
Packing:	45 pcs.	100 pcs	200 pcs	250 psc
Material:	high quality polypropylene			

Mixed wedges boxes:

Product code:	LW-1-2-MIX-L	LW-3-4-MIX-L
Specification:	orange - 30 pcs. white - 50 pcs.	graphite - 100 pcs. blue - 130 pcs.
Packing:	80 pcs.	230 pcs.
